

## FREEDOM DAY MESSAGE

On 27 April, South Africa celebrates Freedom Day and commemorates its first post-apartheid elections, held on that day in 1994. This year's Freedom Day has come at a critical moment in South Africa's fight against COVID-19, but we believe we can beat it. And may the friendship between China and South Africa lasts forever!

4月27日是南非自由日，庆祝1994年废除种族隔离制度。值此南非抗击疫情的严峻时刻，我们和南非一起！

中南友谊长存！南非战疫必胜！
